Project Name: CLASSROOM/LABORATORY REDEVELOPMENT (OLD LAW CENTER RENOVATION)

Project Number: H27-6118-FW

Project Location: Columbia, SC

Agency: **University of South Carolina** requests letters of interest & a current resume of qualifications from persons or firms interested in providing professional services for the project listed above. The Agency Coordinator will receive resumes until the deadline & at the address indicated below. An Agency Selection Committee will evaluate each of the persons or firms interviewed using the criteria set forth in Section 11-35-3220 of the SC Code of Laws, as amended, & any other special qualifications required pursuant to this solicitation.

Licensure: To be considered for selection, persons or firms must be properly licensed in accordance with the requirements of Title 40 of the SC Code of Laws, as amended, at the time of resume submission.

Any questions concerning this solicitation must be addressed to the Agency Coordinator listed below.

Public Notices: All notices (Notice of Meetings, Notice for Selection for Interviews SE-612, and Notification of Intent to Award SE-619) shall be posted at the following location: Lobby area, at 743 Greene St., Columbia, SC 29208

Description of Project: The project will undertake a comprehensive renovation of the 194,000 gross square feet, five-story building. It is anticipated that all original mechanical and electrical systems will be replaced as required for the redevelopment of this building into a modern classroom, office and instructional lab facility. Significant asbestos and lead paint will be abated. The A/E will only be responsible for the coordination of the asbestos consultant, who will be under separate contract with the Agency. Sprinklers and other life safety systems will be installed. Three floors of the five-story west tower will be fully upfit to provide approximately eighteen instructional labs for science courses with emphasis on chemistry. Other space in the building shall remain as a conditioned shell prepared for future academic upfitting. It is anticipated that some core elements will be relocated requiring structural design to maintain or enhance structural integrity. The building lobby will be renovated and potentially expanded to enhance the entrance experience. Other exterior enhancements could be explored to include allowing more natural light to permeate the building and site improvements to replace most on-site parking with green space as the budget may allow. Architects and engineers submitting qualifications for this project should possess extensive instructional lab experience necessary to transform portions of the building into a modern and engaging teaching environment for science labs. The primary objectives for the project are to create a dynamic teaching environment reflecting current trends in education and to provide as much building system replacement as the budget will allow facilitating future academic upfitting.

Description of Professional Services Anticipated for Project: Architectural, Mechanical, Electrical, Plumbing, Fire Protection, and Hazardous Materials Removal

Anticipated Construction Cost Range: \$35 - \$40 Million

Note: Interested persons & firms should submit a current standard federal form 330,

No. 3-45-0036-013-2016 until 2:00pm on Thursday, May 5, 2016. Bid proposals will be accepted and opened in the Laurens Council County Administrative Offices located at 100 Hillcrest Square, Laurens, South Carolina 29360. Bids will be publicly opened and read aloud. Bids received after the stated time or at locations other than that listed above will not be accepted.

SCOPE OF WORK

The project generally consists of the rehabilitation of a portion of Taxiway "A", reconstruction of Taxiway No. 1, reconstruction of the apron access road and rehabilitation of the terminal building parking lot. The project will be bid with a Base Bid and one Additive Bid as follows:

The Base Bid work includes full-depth, cement-stabilized reclamation of the existing asphalt surface and underlying base course of Taxiway "A" west of the aircraft parking apron to a depth of 8 inches followed by a double surface treatment and 4 inches of P-401 asphalt surface. In addition, Taxiway No. 1 will be completely demolished and reconstructed with 6 inches of graded aggregate base course and 2 inches of P-401 asphalt surface.

The Additive Bid work includes completely demolishing and reconstructing the apron access road with 6 inches of graded aggregate base course and 4 inches of P-401 asphalt surface. In addition, the terminal building parking lot will be rehabilitated with a single surface treatment and a nominal 1 inch of SC-403 asphalt overlay.

The work will include related items consisting of construction of staging area, earthwork, shoulder grading, adjustment of existing taxiway edge lighting, grassing, and limited erosion control measures.

CONTRACT TIME

The project time will be 35 contract days from Notice to Proceed for Base Bid. The maximum project time for Base Bid plus Additive Bid awarded shall be 65 contract days from Notice to Proceed.

PREBID CONFERENCE

A NON-MANDATORY Pre-bid Conference will be held at 10:00am on Tuesday, April 19, 2016 at the Laurens County Airport, located at 3985 Torrington Road, Laurens, South Carolina 29360.

BIDDING REQUIREMENTS

Consultant / Professional

GREENWOOD GENETIC CENTER, INC.

STRATEGIC INITIATIVE FOR SUSTAINABILITY AND GROWTH -- EDA INVESTMENT NO. 04-69-07094

Project Scope

GGC has been awarded an Economic Development Administration grant to engage a consultant or consulting firm to "work closely with the leadership of the Greenwood Genetic Center (GGC), its affiliated organizations and community and regional alliances to provide a comprehensive strategic and implementation plan to ensure that its core mission is maintained, its scientific and research capabilities are maximized for both internal and external benefit and that these efforts leverage private sector investment and job creation in the region. Topics such as technology commercialization initiatives and innovation strategies will be explored."

Procurement

This RFQ is the first step in a two-step process to identify a suitable consultant or consulting firm. This phase will identify a qualified pool of consultants or consulting firms that will be asked to respond to a Request for Proposal to establish a proposed cost for the project based on a set of defined activities, services and deliverables. Plan Elements. The comprehensive strategic and implementation plan shall include the following broad elements:

1. Mission Sustainability Strategy for all of GGC's current programs: Clinical Services, Diagnostic Laboratories, Innovative Research and Genetics Education.
2. Strategic Plan for Growth through entrepreneurial activities within GGC as well as further development of partnerships and collaboration with organizations such as private industry, academic and research institutions, hospitals, and government agencies.
3. Regional Economic Development Strategy to establish and promote Greenwood, SC, as a developing cluster for services and technologies related to human and medical genetics.

Selection Process

Factors to be considered in the selection process will include:

- Relevant experience of the consultant or consulting firm in the development of strategic plans.
- Relevant experience of the consultant or consulting firm in guiding business development opportunities of medical research and diagnostic organizations.
- Relevant experience of the consultant or consulting firm in creating regional economic development strategies to attract jobs and private investment.
- Compatibility of the consultant or consulting firm with the Mission of GGC and its organizational culture of "Giving Greater Care".

Summary of Requirements and Procedures

The following are required parts of the submission. Responses and narratives should be concise and should include the following:

1. A cover letter describing the firm or consultant, its services and typical clients. The letter should also include the name, address, phone number, and email address of the primary contact.
2. Provide a listing, including biographies, of key personnel that would likely be assigned to an engagement containing the Project Scope and Plan Elements described in this RFQ. Please specify any services that will be outsourced.
3. A narrative describing relevant experience related to expanding clinical laboratory and research-based services.
4. Provide at least three examples of engagements that demonstrate success in the development of a comparable project including the associated client reference and contact information.
5. The response should not exceed 20 pages, inclusive of any figures or other graphic material that supports the submission.

Respondents should submit five (5) bound copies by 12:00 noon, April 22, 2106 to:

Strategic Plan RFQ
Greenwood Genetic Center Inc.
101 Gregor Mendel Circle
Greenwood, SC 29646

Questions

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
